Provincetown is located at the extreme *tip* of Cape Cod, MA. A small coastal resort town *with* a year-round population of just under 3,000, Provincetown has a summer population of as high as 60,000. Often called "P-town",¹⁴ the town *is* known for *its* beaches, harbor, artists, tourist industry, and *its* status as a vacation destination for the LGBT community. Provincetown's tourist season has expanded, and the town has scheduled created festivals and week-long events throughout the year. The most established are in the summer: the Portuguese Festival, Bear Week and PBG's Carnival Week. The Atlantic House in Provincetown *is* considered the oldest gay bar in the US and Frommer's calls it "the nation's premier gay bar". The Art House provides a venue for numerous entertainers and shows during the summer season, in particular Varla Jean Merman, Miss Richfield 1981, Ms. CoCo Peru, and other town favorites. In off season, the Art House remains open providing nightly entertainment that includes a Wii Bowling League, Trivia Night, and similar events.

The water surrounding Provincetown has the effect of moderating temperatures. The water also has the effect of delaying the onset of the seasons, by keeping spring temperatures cooler and fall temperatures warmer than the rest of the state.
